PROFESSIONAL EXPERIENCE

I was appointed Consultant in Orthopaedics in 1988, working at the Birmingham Children's Hospital and the Royal Orthopaedic Hospital, Birmingham.

I moved to London in 2008 on appointment to Great Ormond Street Hospital, where I was the Senior Orthopaedic Surgeon. My practice covered all aspects of children's orthopaedics with the exception of spinal surgery.

I retired from NHS practice at the end of 2014.

I have subsequently continued to undertake medicolegal work in relation to children's orthopaedics.

I remain an Honorary Consultant at Great Ormond Street Hospital.
